

DANA POINT HARBOR YOUTH FOUNDATION

Supporting the Next Generation of Sailors

The Dana Point Harbor Youth Foundation is proud to serve our local community by providing full and partial scholarships to children and families that could benefit from sailing activities. Scholarships from DPHYF may be used for a variety of sailing programs in the Dana Point area, each of which teaches young people the confidence, self-esteem, and leadership skills that comes with a sailing education.

To be considered for a scholarship, carefully review the Scholarship Guidelines and Scholarship FAQ before completing the application below.
